

Reset Authorization Code

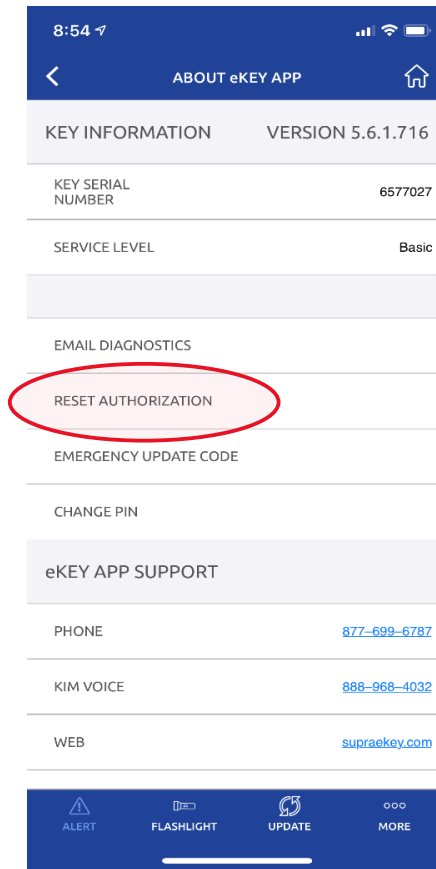

1. Open the Supra eKEY app and select More.

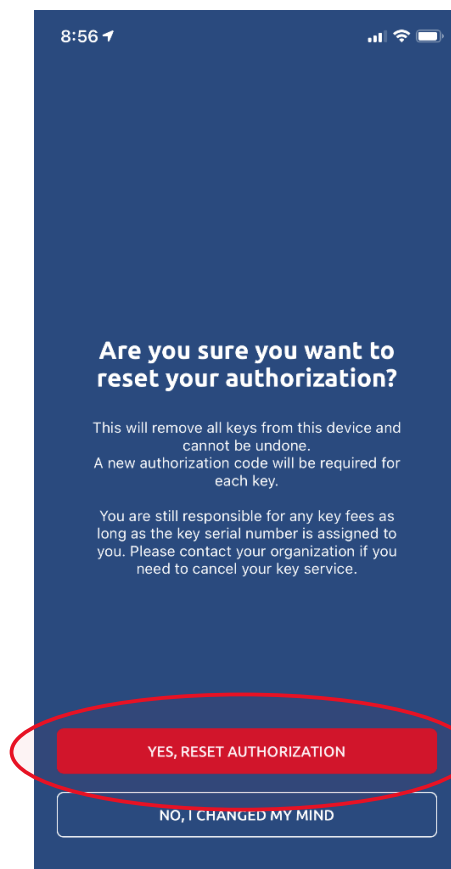

2. Select ABOUT eKEY APP.

3. Select Reset Authorization.

4. Confirm reset.

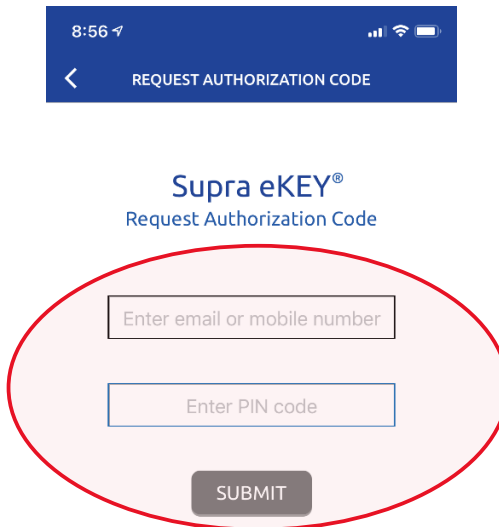

5. Select Activate eKEY APP.

6. Select I need to request an Authorization Code.

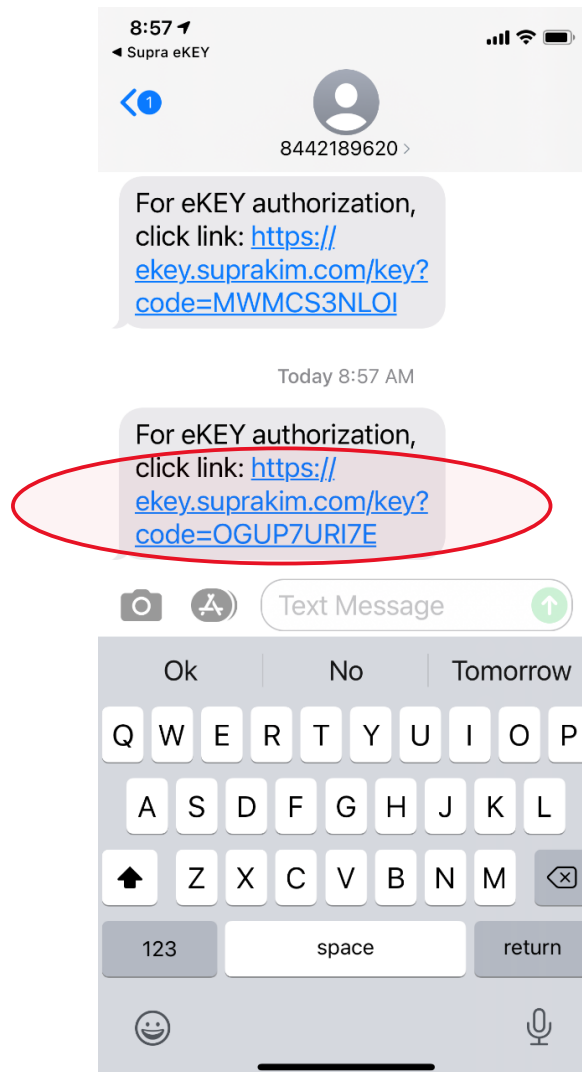

7. Enter your information below and press submit.

A screenshot of a mobile application interface. At the top, a dark blue header bar contains a back arrow, the time 8:56, and signal, Wi-Fi, and battery icons. Below the header, the text "Supra eKEY®" is displayed in a large blue font, with "Request Authorization Code" in a smaller blue font underneath. The main content area is a light pink rounded rectangle containing three elements: a text input field with the placeholder "Enter email or mobile number", a second text input field with the placeholder "Enter PIN code", and a dark grey button labeled "SUBMIT". A red oval highlights the entire pink content area.

8. Go to your Text messages & press link.

9. Select both I have read the EULA and agree to its terms and I have read the Privacy Notice and agree to its terms.
